

INTIMATE GARDEN WEDDING

**At
Seri Pengantin Resort**

For the couple who wants a wedding with a difference and at an intimate setting for just a small group of friends and immediate family members, The Seri Pengantin Resort offers just the perfect venue. Inspired by the rhythms of nature, Seri Pengantin Resort is nestled in a carefully landscaped tropical garden and water-scape. The array of flowering plants, blooming shrubs and lush palm grove, offer an oasis of peace and serenity which are valued features of this resort.

Exquisitely furnished with tasteful artifacts that add to its intimate charm, Seri Pengantin Resort is encompassed with charming rustic Malaysian style rooms & suites, surrounded by lush tropical gardens. From plant canopied verandas to a sprinkling of stone statue fountains, softly cascading waterfalls, lily-padded ponds, and long-snaky fish ponds and pebbled rock fountains, this idyllic setting is a haven of tranquility and calm.

This tranquil hillside resort is where the bride and groom can celebrate that once-in-a-lifetime special moment with their loved ones.
